

Orders: In order to properly process your orders, it's best if we receive a signed purchase order that includes the specific model or part numbers and also shows the List Price from the current pricing schedule. Of course, "specials" that don't appear in the price book will be priced by our staff. Orders may be faxed, mailed or sent by email. Prices will not be available through our website.

Volume Discounts: CSI offers special discounts for volume buyers. Blanket order programs are also available. Please contact your CSI sales representative for details.
